DECISION

Taking into consideration :

(...)

WE DECIDE

EOF, as an exceptional measure for the protection of Public Health and in order to avoid market shortages related to the entry into force of the new price bulletin, recommends to all the involved with the activity in question parties, the temporary general suspension of exports and of intra-community trade of all medicinal products, as of today 23-10-2012.

The present decision is immediately implemented and has a temporary character.

As long as this decision is in force, it is also recommended to suspend the storage and the supply to the domestic market of medicinal products by all stakeholders of the supply chain (MAHs, wholesalers, pharmacies) is imposed.

EOF will be monitoring the implementation progress and in case of non-compliance with the present recommendation, it will be forced to proceed with the export ban and the enforcement of sanctions foreseen by the law.

EOF will come back soon with the issuance of a new decision.

EOF President

Ioannis Tountas
