Protocol Number: A3-2806

Subject: "Validity of prices of medicinal products"

We hereby notify you that the Price Bulletin 4/2010 set new prices for the majority of medicinal products. The prices of the medicinal products not included in the above mentioned Price Bulletin are temporary and valid until their inclusion in a following Price Bulletin and must not be used as a point of reference by the competent authorities of other countries for the calculation of their prices.

The Secretary General

Stefanos Komninos
