Re: Extension of the deadline for the electronic filing of Research Sheets and Data of Medicinal Products to be Re-priced

Chalandri, June 10, 2014

Dear President,

Further to the announcement of EOF dated 23/5/2014 with which you call the pharmaceutical companies to file, in view of the general re-pricing the Research Sheets via the Internet Portal of EOF until Thursday, June 12, 201 and following communication with our companies-members, we would like to forward you the following request.

Given the large number of products and the volume of data that the pharmaceutical companies must seek in order to properly fill in the Research Sheets, but also of the approvals the subsidiaries must obtain from their headquarters, a procedure which is rather time-consuming, the companies are in no place of meeting the initially set deadline (12/6). In this context, **we kindly request that an extension is granted with regard to the deadline for the filing of the data at EOF's web platform, until Friday, June 20.**

Taking into account all the above, we kindly request your prompt actions.

Yours sincerely,

Konstantinos M. Frouzis
President

Nikos Kefalas
Vice President
